

Леоне Панкалдо от ДВ 1/200

Послан Pablo - 14.09.2013 22:12

Привет всѣх!

Несколько недель назад начал этой корабля, до того закончил корпус.

Набор совирались прекрасно, только есть маленькой опечатки в одном шпангауте.

После Пита, с новым взял Панкалдо и продолжаю сборку.
Добавил немногих мелких деталей и центральную часть надстройки:

И вот там продвижение Панкалда.

Добавил ещё многочисленных деталей: вентиляторы, отклоненные перил, причальные тумб, и.т.д.
